

LET US love
in deed & in truth.

1 John 3:18

CONGREGATION OF THE MISSION
WESTERN PROVINCE

In the spirit of their founder St. Vincent de Paul,
today's Vincentian priests and brothers continue to
give their lives in service to God's people in need.

New life is yours to give ...

Will you help our priests and brothers serving in Kenya?

Vincentians at Christ the King Seminary grow their own food, but often face setbacks because of drought. The **Water Collection Project** will build an underground reserve and pump to water the garden when there is no rain.

A second special need is the purchase of a used **delivery truck for DePaul Woodworking** to carry supplies and furniture. DePaul Woodworking teaches men and women carpentry skills that can help them secure a job and greater financial stability.

IMMEDIATE
NEED:
\$60,300

Thank you for your generosity!

Any amount is greatly appreciated. In giving the gift of life and livelihoods, you deepen your partnership with Vincentian priests and brothers serving neighbors in urgent need across the U.S. and in East Africa.
